PERFECTION OF AMENDED  
MECHANICS LIEN PURSUANT  
TO 11 U.S.C. § 546(b)(2)**

[Solano County, Document  
No. 201900048601]

- ☐ Affects PG&E Corporation  
☐ Affects Pacific Gas and Electric  
Company  
☒ Affects both Debtors.

\* All papers shall be filed in the Lead  
Case No. 19-30088 DM.

ARB, Inc. ("ARB"), by and through its undersigned counsel, hereby gives notice of  
continued perfection of its amended mechanics lien under 11 U.S.C. § 546(b)(2), as  
follows:

1. ARB is a corporation that has provided and delivered labor, services,  
equipment, and materials for the construction and improvement of projects on real  
property located in the County of Solano, State of California (the "Property") and owned

1 by PG&E Corporation and/or Pacific Gas and Electric Company (collectively, the  
2 “Debtors”).

3 2. Through January 29, 2019 (the “Petition Date”), the amount owing to ARB  
4 was approximately \$621,562, exclusive of accruing interest and other charges. Before the  
5 Petition Date, on January 24, 2019, ARB properly perfected its mechanics lien under  
6 California Civil Code §§ 8400, *et seq.* by timely recording its Mechanics Lien (Claim of  
7 Lien) in the amount of \$621,562 in the Official Records of Solano County, State of  
8 California, as Document No. 201900004322 (“Initial Mechanics Lien”).

9 3. After all appropriate credits and offsets, the amount owing to ARB through  
10 July 24, 2019, is at least \$382,003.80, exclusive of accruing interest and other charges.  
11 Accordingly, on July 24, 2019, ARB amended its lien claim amount and continued the  
12 proper perfection of its mechanics lien under California Civil Code §§ 8400, *et seq.* by  
13 timely recording its Amended Mechanics Lien (Claim of Lien) in the amount of  
14 \$382,003.80 in the Official Records of Solano County, State of California, as Document  
15 No. 201900048601 (“Amended Mechanics Lien”), a true and correct copy of which is  
16 attached hereto as Exhibit A.

17 4. Pursuant to California Civil Code § 8460, an action to enforce a lien must be  
18 commenced within 90 days after recordation of the claim of lien. However, due to the  
19 automatic stay set forth in 11 U.S.C. § 362, ARB is precluded from filing a state court  
20 action to enforce its mechanics lien. 11 U.S.C. § 546(b)(2) provides that when applicable  
21 law requires seizure of property or commencement of an action to perfect, maintain, or  
22 continue the perfection of an interest in property, and the property has not been seized or  
23 an action has not been commenced before the bankruptcy petition date, then the claimant  
24 shall instead give notice of its intent to enforce the lien within the time fixed by law for  
25 seizing the property or commencing an action. See 11 U.S.C. § 546(b)(2); see also In re  
26 Baldwin Builders (Village Nurseries v. Gould), 232 B.R. 406, 410-411 (9<sup>th</sup> Cir. 1999);  
27 Village Nurseries v. Greenbaum, 101 Cal.App.4<sup>th</sup> 26, 41 (Cal. Ct. App. 2002).

28 ///

1           5.       Accordingly, ARB previously provided notice of its rights and its intent to  
2 enforce its rights as a perfected lienholder in the Property pursuant to California's  
3 mechanics lien law. On February 22, 2019, ARB filed its Notice of Continued Perfection  
4 of Mechanics Lien Pursuant to 11 U.S.C. § 546(b)(2) with respect to its Initial Mechanics  
5 Lien [Dkt. No. 556] to preserve, perfect, maintain, and continue the perfection of its lien  
6 and its rights in the Property to comply with the requirements of California state law,  
7 11 U.S.C. §§ 362(a), 362(b)(3), and 546(b)(2), and any other applicable law ("Initial  
8 Notice of Continued Perfection").

9           6.       Due to the amendment of ARB's Initial Mechanics Lien, ARB hereby  
10 provides further notice of its rights and its continuing intent to enforce its rights as a  
11 perfected lienholder in the Property pursuant to California's mechanics lien law. ARB is  
12 filing and serving this notice to preserve, perfect, maintain, and continue the perfection of  
13 its lien and its rights in the Property to comply with the requirements of California state  
14 law, 11 U.S.C. §§ 362(a), 362(b)(3), and 546(b)(2), and any other applicable law. The  
15 Initial Notice of Continued Perfection and this notice constitute the legal equivalent of  
16 having recorded a mechanics lien in the recorder's office for the county where the Property  
17 is located and then having commenced an action to foreclose the lien in the proper court.  
18 By the Initial Notice of Continued Perfection and this notice, the Debtors and other parties  
19 in interest are estopped from claiming that the lawsuit to enforce ARB's mechanics lien  
20 was not timely commenced pursuant to applicable state law. ARB intends to enforce its  
21 lien rights to the fullest extent permitted by applicable law. The interests perfected,  
22 maintained, or continued by 11 U.S.C. § 546(b)(2) extend in and to the proceeds, products,  
23 offspring, rents, or profits of the Property.

24           7.       The filing of the Initial Notice of Continued Perfection and this notice shall  
25 not be construed as an admission that such filing is required under the Bankruptcy Code,  
26 California mechanics lien law, or any other applicable law. In addition, ARB does not  
27 make any admission of fact or law, and ARB asserts that its lien is senior to and effective  
28 against entities that may have acquired rights or interests in the Property previously.

8. The filing of the Initial Notice of Continued Perfection and this notice shall not be deemed to be a waiver of ARB's right to seek relief from the automatic stay to foreclose its mechanics lien and/or a waiver of any other rights or defenses.

9. ARB reserves all rights, including the right to amend or supplement this notice.
